Subject: Letter of recommendation

On behalf of the Boulart Team,

We are happy to announce that we will be working with Grocer Direct to supply our fully baked and frozen artisan breads in Ontario.

Boulart is proud to offer non-GMO, Vegan and clean products that follow in the mission Grocer Direct has set-out to accomplish.

Just like us, they are committed to providing premium high quality products, along with the best customer service available.

Yours Sincerely,

The Boulart Team
